C. PUBLIC TRANSPORTATION. When free parking is not provided or available, employees who use public transportation to get to the job, shall be reimbursed, up to ten dollars (\$10.00) per day, upon presentation of the receipt therefore, with the employees current time card.

SECTION 57. TRAVELING CONTRACTORS. When the Employer has any of the work covered by this Agreement to be performed outside the area covered by this Agreement but within the area covered by an agreement of another affiliate of the International Union of Bricklayers and Allied Craftworkers, the Employer agrees to abide by the full terms and conditions of the Agreement in effect in the jobsite area. Employees covered by this Agreement who are sent to projects outside of the area covered by this Agreement shall be paid at least the established minimum wage scale specified in Appendixes A, and B hereto but in no case less than the established minimum wage scale of the local Agreement covering the territory in which such work is being performed plus all contributions specified in the local jobsite agreement. The Employer shall in all other matters be governed by the provisions established in the jobsite local agreement. If employees are sent to work on a project in an area where there is no local agreement covering the work specified in **SECTIONS 7 AND 8** of this Agreement, the full terms and conditions of this Agreement shall apply.

**ARTICLE XII
TRAVEL AND SUBSISTENCE**

SECTION 58. Method of determination.

- A. For the purpose of determining travel and subsistence reimbursement, all employees required to travel more than forty (40) miles from the employer's principle place of business shall be paid travel reimbursement and subsistence as follows. Mileage to be determined by the California State Automobile Association.
- B. The Employer's principal place of business is the city or town recognized as such by the California State Contractors' Licensing Board. The employer's principle place of business must be a bona fide place of business, which is permanent. Temporary offices or other places of business established at or near the job site after the bid opening date shall not be recognized as principal places of business for purposes of this Article.
- C. Any individual Employer who has no principal place of business within the area covered by this Agreement shall use the employee's residence in place of the employer's principal place of business for the purposes of this Article.

SECTION 59. TRAVEL

A. Travel Reimbursement shall be the following:

Less than 40 miles	Free zone
41 to 50 miles	\$20.00 per day
51 to 60 miles	\$24.00 per day
61 to 70 miles	\$28.00 per day

71 to 80 miles
Over 80 miles

\$32.00 per day
Subsistence

SECTION 60. SUBSISTENCE.

A. On all jobs beyond eighty (80) miles from the employers principle place of business is located, the employee shall receive a subsistence allowance of eighty five dollars (\$85.00) per day for five (5) days per week. If the employee stays in the area of the jobsite on Saturday and Sunday and presents a receipt or receipts documenting such, then subsistence shall be eighty five dollars (\$85.00) per day for seven (7) days per week, in addition to transportation and travel time at straight time to and from the job, once at the beginning and once at the conclusion of employment on the job.

B. In determining the number of days of subsistence, holidays shall be included when the employee is required to report, and does in fact report, for work on the last regular working day before, and the next regular working day after the holiday.

C. An Employee entitled to subsistence shall also receive payment for travel time to the job at straight time wages, once at the beginning of the job, and once at the conclusion of his/her employment on the job.

D. In the event that an employee's reasonable and actual expenditures exceed the appropriate subsistence rate provided herein, the Employer shall pay all sums in excess of the appropriate subsistence rate upon the presentation of receipts reflecting expenditures in excess of the appropriate subsistence rate for food and lodging. An employer may provide lodging to an employee, but this does not relieve their requirement of paying employee \$85 subsistence per day.

E. In the event an employee is ordered to work on a job in a subsistence area, which will last more than seven (7) calendar days, the Individual Employer shall, if the employee so requests, pay subsistence in advance in one week intervals. The employee shall receipt in writing for said payment.

ARTICLE XIII TRUST FUNDS AND FRINGE BENEFIT CONTRIBUTIONS

SECTION 61. TRUST AGREEMENTS. The employer shall pay all fringe benefits for each hour worked by each employee on all work covered by this Agreement, regardless of whether or not the employee is a member of the Union. The fringe benefit payments will be made to the trust fund associated with the Union, for the fringe benefits described in Appendixes A and B. The employer agrees to and shall be bound by all the terms and conditions, including any amendments now or hereafter made, to those trust agreements governing the trusts which sponsor or administer the pension, welfare and other benefits provided in this Agreement, including, but not limited to, the Bricklayers and Allied Craftworkers Local No. 3 Health and Welfare Trust, the Bricklayers Local 7 Pension Trust, the Bricklayers and Allied Craftworkers Local No. 3 Apprentice Training Trust and the International Union Of Bricklayers And Allied Craftworkers Pension Fund. Each employer hereby agrees that it does irrevocably designate and appoint the Association and the employer-appointed trustees of the Trust Funds listed in the preceding sentence as its attorneys in fact for the selection, removal and substitution of trustees as provided in the Trust Agreements as may be hereinafter provided by or pursuant to said Trust Agreements.

SECTION 62. Each Individual Employer hereby acknowledges receipt of the various trust agreements specified in SECTION 61, as amended, or has been advised of the right to request copies of the trust agreements from the Trust Fund Administrator.

SECTION 63. CONTRIBUTIONS. On or before the fifteenth (15th) day of each month, the Individual Employer shall pay to the various Trust Funds the amounts specified in Appendixes A and B and such further amounts as may be allocated in accordance with SECTION 51 (Wage Rates) for each hour worked on work covered by this Agreement by each of its employees in the preceding month, or for which such employees were entitled to be paid in the preceding month. All amounts specified as due for "vacation" benefits in Appendixes A and B, and such further amounts as may be allocated as "vacation" benefits in accordance with SECTION 51 ("Wage Rates"), shall be paid by the Individual Employer on or before the

15th day of each month for each hour worked by each of its employees in the preceding month, or for which such employees were entitled to be paid in the preceding month, shall be made to the administrator designated from time to time by the union for deposit in accounts in the name of each employee with the Operating Engineers Local Union No. 3 Federal Credit Union (the "Credit Union").

SECTION 64. LIQUIDATED DAMAGES. It is agreed that timely payment to the trust funds provided for in this Agreement is essential for the protection of the beneficiaries and that delinquent contributions entail additional trust administration expenses. Since the exact amount of monetary damages to the beneficiaries and the additional cost of trust administration are impossible to measure, liquidated damages for delinquent contributions shall be reasonably estimated to be assessed as follows: For any amount which is delinquent thirty (30) days or less, liquidated damages shall be assessed in the amount of \$100.00 or 10% of all contributions due, whichever amount is greater. If the delinquency persists over thirty (30) days, the charge will be twenty percent (20%) of the amount due. For good cause shown, on not more than one occasion per year, an Individual Employer may petition the Trust Fund Trustees for relief from the imposition of liquidated damages. Such amount shall become due and payable to the Trusts by the delinquent employer as liquidated damages and not as a penalty and payable at the place where the contribution is payable upon the day immediately following the date on which the contribution became delinquent.

SECTION 65. LITIGATION COSTS AND ATTORNEY'S FEES. If it becomes necessary for the trustees to engage legal counsel or initiate litigation to recover unpaid contributions, to obtain the employer's records for audit, or to receive monthly reporting forms, the Individual Employer shall pay, in addition to the principal amount of fringe benefit contributions and liquidated damages, pre-judgment interest at the rate of ten percent (10%) per annum, attorney's fees, court costs, audit costs and any other costs or expenses incurred by the Trust Funds in connection with such suit, claim or demand. Litigation may be initiated for any violation of this Article XIII without prior recourse to the grievance and arbitration provisions of this Agreement.

SECTION 66. AUDITS. The Trustees of any Trust Fund under this Agreement or their designated agent may inspect or audit the payroll and other relevant records of any Employer at any reasonable time for the purpose of ascertaining whether contributions to the Trust Funds have been made as required by this Agreement. Should it be determined by the Trustees that such contributions have not been made, the Employer shall be liable for the unpaid or underpaid contributions, liquidated damages and interest thereon, together with the cost of such inspection or audit, if the audit discloses the additional contributions due to be in excess of contributions paid by the Employer for work performed during the period of the audit. The information and records provided to the Trustees or their auditor will not be disclosed to third parties, except as necessary to enforce the terms of this Agreement. As a matter of generally recommended fiduciary policy, the Trustees shall arrange for random audits to be conducted from time to time upon Employers signatory to this Agreement.

SECTION 67. RECIPROCITY.

A. Within the 46 Counties. It is recognized that employees covered by this Agreement may have established eligibility for Health & Welfare Benefits and/or commenced to accumulate vesting credits for Pension Benefits under a Trust Agreement other than those specified in SECTION 61 and therefore it is agreed that contributions for Pension and Health & Welfare Benefits paid on behalf of such employees will be transferred to the appropriate Trust Funds where such employee has established such eligibility and/or commenced to accumulate vesting for Pension Benefits. If the employee has not established Health & Welfare eligibility or commenced the accumulation of Pension vesting credits under one of said Trust Agreements, contributions for Pension and Health & Welfare benefits of behalf of such employee will be deposited into the Trust Funds specified in SECTION 61 as determined by the Union and the Association. Contributions for promotion fund shall be paid into the Association's promotion fund.

B. Reciprocity Agreements Between Trust Funds. In the event the Trust Funds enter into or have entered into Reciprocity Agreements permitting the payment of certain fringe benefit contributions to the home trust of any employee temporarily working in the geographic or trade jurisdictions covered by

other Trust Funds, payment shall be made according to such Reciprocity Agreements that are agreed to by the Trustees of each home trust, provided further that such trusts are qualified under the provisions of the applicable Internal Revenue Code regulations permitting the payments to be tax deductible by the Employer.

SECTION 68. RIGHT TO STRIKE DELINQUENT EMPLOYER. Notwithstanding anything contained herein, it is agreed that in the event any Employer is delinquent in the payment of his contributions to the health and welfare, pension and/or other funds created under this Agreement that his employees and/or their representatives may, after forty-eight (48) hours written strike notice given the Employer by Union, take such reasonable and necessary action against the Employer as may be necessary until such delinquent payments are made.

SECTION 69. The Union may, without recourse to the grievance and arbitration procedures set forth in this Agreement but only after consulting with the Association, withdraw the employees of, or refuse to dispatch to, any Employer until such time as it has complied with the requirements of **ARTICLE XIII**.

SECTION 70. PERFORMANCE BOND AND CASH BOND GUARANTEE. Any Individual Employer, whether a member of the Association or otherwise, shall, upon demand by the Union, be required to post a surety bond in the sum of \$10,000.00, or to deposit an equivalent amount of cash into the Cash Bond Fund established by the Trusts to guarantee the payment of wages, fringe benefits liquidated damages, and interest. If a surety bond company is used to comply with this guarantee, such company must be acceptable to the Trustees. This bond must be evidenced by completion by the employer and its surety of the bond form attached to this Agreement. A bond containing terms different in any manner from that of the bond form attached to this Agreement is not acceptable. Said bond shall be filed with the Trusts' administrator.

A. Return of Bond or Cash Bond. A bond or cash bond may be returned to the employer who is no longer obligated under the terms of this Agreement or any subsequent Agreement. An exit audit may be required of all employers before receiving a refund of the employer's cash bond deposit. Any interest or other increment earned by the cash bond deposits shall be used by the Bricklayers Local 3 Health & Welfare Trust Fund to defray the costs of administering the Cash Bond Fund and the cost of acting as the collection agency for the fringe contributions. In no event shall any employer be entitled to receive any of the interest increment earned by cash bond deposit. Funds not claimed in the Cash Bond Fund for six (6) years shall revert to the Bricklayers Local 3 Health & Welfare Trust Fund and be used to defray expenses.

B. Inactive Employers. Active employers leaving this jurisdiction, or retiring from business may, upon request to the Board of Trustees, be granted inactive status and removed from the monthly mailing list. A condition required for inactive status is that the employer notify the Union if the employer returns to active status in this jurisdiction. If an employer on inactive status does not notify the Union within one (1) day after commencing work in this jurisdiction, the employer will be liable for liquidated damages at the rate of twenty dollars (\$20.00) per month or ten percent (10%) of all contributions due during the employer's first month of work, whichever is greater, for each month from the date inactive status was granted to the date notice is given. Upon return to active status from inactive status, the employer further agrees to replenish his said employer's cash deposit in the Cash Bond Fund, so as to equal the \$10,000.00 bond sum required.

C. Out of Jurisdiction Employer. In the event an employer is not located in this jurisdiction and starts work on a project covered by this Agreement, which project will, in the opinion of the Trustees, be likely to be completed before the Trust Fund contribution report is required to be filed, or (2) an employer fails to pay Trust Fund contributions when due, or (3) an employer's unpaid Trust Fund contributions exceed the bond that has been posted pursuant to this Agreement, the Trustees, in their discretion, may require any such employer to file contribution reports and pay contributions weekly after five (5) days notice to such employers by the Health & Welfare Fund Trustee. Trustees may, in addition, require such employer to furnish to the Trustees a surety company bond in the amount of twenty-five thousand dollars (\$25,000.00) to guarantee payment of contributions, liquidated damages, and delinquency charges under this Agreement, in addition to the bond hereinabove described.

**ARTICLE XIV
DUES CHECK-OFF**

SECTION 71. Each employer who is signatory to or bound by this Agreement shall withhold for Union dues check-off the amount of wages equal to an amount designated by BAC Local 3. BAC Local 3 may make changes in the designation amount from time-to-time.

The Union will furnish to the employer a list of the individuals who have executed a dues check-off authorization and the employer shall be entitled to rely upon the accuracy of such list in effecting any deductions.

The employer shall transmit such monthly Union Dues check-off deductions with payment of its monthly Trust Fund contributions, to the administrator of the trust funds for the area in which the work is performed as set forth in Appendix A to this Agreement. The employer shall further make appropriate entries with respect to said Union Dues check-off deductions on report forms supplied by the administrator.

**ARTICLE XV
WORK PRESERVATION -- SPECIAL PROJECT AGREEMENTS**

SECTION 72. In order to combat competition from non-union employers, the parties to this Agreement may establish a Terrazzo Industry Work Preservation Committee. The Committee will be composed of two (2) members appointed by the Association and two (2) members appointed by the Union. The Committee will be authorized to approve such changes in the wages, fringe benefits and working conditions of this Agreement on a project or area basis as are needed to preserve work opportunities for employees and Employers covered by this Agreement. The most favored nation clause of this Agreement (**SECTION 9**) will not apply to the project or area which the Committee has granted more favorable terms and conditions.

**ARTICLE XVI
NO STRIKE - NO LOCKOUT**

SECTION 73. There shall be no strikes or lockouts during the life of this Agreement. However, it shall not be a violation of this Agreement for the employees to engage in work stoppage, strike or concerted refusal in the course of their employment to work for any Employer who fails to pay the wages and benefits set forth in this Agreement, after forty-eight (48) hours written notice by the Union that it is in default, or fails to abide by any award, ruling or decision of the Joint Arbitration Board or a decision pursuant to the arbitration provisions of this Agreement.

SECTION 74. It shall not be a violation of this Agreement for any employee to respect any picket line established or sanctioned by the local Building Trades Council or Central Labor Council having jurisdiction over the area where the job is being picketed.

**ARTICLE XVII
SUBSTANCE ABUSE TESTING AND ASSISTANCE PROGRAM**

SECTION 75.

- A. The Individual Employers and the Union are committed to providing a safe and productive work environment. Substance abuse decreases efficiency, increases the risk of property loss or damage, and increases the risk of injury to employees.
- B. No drug or alcohol testing of any kind may be done until employee assistance programs or local drug and alcohol abuse assistance programs have been identified and are in place and a written drug policy has been given to applicants and employees in the form of an Employee Notice and Acknowledgement Form.

The employer will bear the cost of all drug and alcohol testing. The time taken to perform a drug test will be considered work time, and will be compensated by the Employer.

- C. Accordingly, the Union and the signatory Employers agree that:
 - a. Employees shall not use, possess, dispense, or receive alcohol or controlled substances (other than prescription drugs which do not impair job performance, including medical marijuana) during working hours, on company property, at a job site, or in Company vehicles.
 - b. Employees will not report for work while impaired by alcohol or controlled substances.
- D. Pre-Employment Testing
 - a. Testing may be performed on new hire applicants for employment as a condition of employment. An employee or applicant who has been laid off for thirty (30) calendar days or more, or a new employee may be required to undergo a pre-employment drug test for non-prescription drugs as a condition of consideration of employment with the Employer or prior to being approved to work at any Employer facility or work area. Provided however, that an employee or applicant who can demonstrate that he or she successfully passed a pre-employment drug test by the same employer within the previous ninety (90) days shall not be required to undergo a pre-employment drug test. There shall be no pre-employment alcohol testing. Notwithstanding the foregoing, drug testing standards set by the general contractor that are more stringent than the above provisions shall apply to testing under this Section D.
 - b. Pre employment testing must be in place and such testing must actually be conducted before the Employer can conduct any Random Testing as described herein.
- E. Post Accident Testing
 - a. Any employee involved in an accident will be required to submit to a test for the presence of alcohol or drugs. An "accident" is an event that results in professional medical treatment or significant damage to employer property. This requirement will be waived when the accident was solely the result of a third party's action, or where it can be determined that drugs or alcohol were not a contributing factor. Notwithstanding the foregoing, drug testing standards set by the general contractor that are more stringent than the above provisions shall apply to testing under this Section E.
- F. Testing Procedures:
 - (1) All testing will be conducted according to SAMHSA guidelines and will include a screening test; a confirmation test; review by a Medical Review Officer, including the opportunity for employees who test positive to provide legitimate medical explanation, such as a physician's prescription, for the positive result; and a documented chain of custody. Any employee who disputes the positive results shall have the right within ten (10) working days of when he is notified of the test results to have his initial sample independently retested by a SAMHSA certified laboratory of his choice at his own expense. If the independent retest results in a negative result, that negative result shall be considered a successful completion of the drug testing, and the employee will be put back to work immediately, be reimbursed for the cost of the retesting, and be made whole for any loss of pay occasioned by the first positive test results.
 - (2) All laboratory reports and test results shall be treated as confidential medical information and shall be maintained in a medical file separate from the employee's personnel file. Tests results shall be disclosed by the testing facility to the Medical Review Officer (MRO) only. After interpreting the test results the MRO shall communicate to the Employer, the employee and the Union only that the test result is "positive" or "negative."

- (3) Job applicants testing positive for drug use may be suspended from consideration by Employer for a period of two (2) months. An applicant may be considered upon re-application after a shorter period, however, if he or she can demonstrate meaningful participation in a rehabilitation program following the positive drug test.
- (4) Employers must notify employees, applicants for employment and the union in advance of any drug testing requirements. The employee shall be allowed to contact a union representative prior to submitting to the drug/alcohol testing.

ARTICLE XVIII SUCCESSORS AND TRANSFERS

SECTION 76. EMPLOYER SUCCESSORS. The provisions of this Agreement shall be binding upon and shall insure to the benefit of the executors, administrators, heirs, successors, purchasers or assigns of the individual Employer. The provisions of this Agreement shall also benefit and bind any enterprise with which the individual Employer is associated upon terms which entitle the individual Employer to make contractual commitments on behalf of such enterprise. Each of the employers bound by the terms of this Agreement agrees to promptly notify the Union in writing by registered or certified mail of any change in ownership, the addition of new members to a partnership, or the creation of any new company or corporation that will perform work described in Article II of this Agreement for which the employer or any of the employer's owners are owners in whole or in part. In the event of failure to notify the Union, the individual or firm executing this Agreement shall continue to be individually responsible and liable for the observance of the terms and conditions of this Agreement, to the full extent permitted by law, by such firm, joint venture, corporation, individual or affiliate, until the required notices are given to the Union. Such notices may not be retroactive in effect. In interpreting the above clause, the purpose and spirit is to preclude the employer from circumventing the Agreement by the formation of joint ventures, new corporations, firms, partnerships, or any other paper transaction; provided, however, that this provision shall be interpreted and applied consistent with and no broader than the case law interpretation of the National Labor Relations Act.

ARTICLE XIX LITIGATION

SECTION 77. All parties to this Agreement recognize that the Union has the right to institute and control litigation on behalf of the Union or any employee covered by this Agreement for any alleged breach of this Agreement, including, but not limited to, complaints based upon the failure of the Employer to pay the wages or fringe benefits specified in the Agreement.

ARTICLE XX GENERAL SAVINGS CLAUSE

SECTION 78. It is not the intent of either party hereto to violate any laws, rulings, or regulations of any governmental authority or agency having jurisdiction of the subject matter of this Agreement, and the parties hereto agree that in the event that any provision of this Agreement is finally held or determined to be illegal or void as being in contravention of any such laws, rulings or regulations, nevertheless, the remainder of the Agreement shall remain in full force and effect unless the parts so found to be void are

wholly inseparable from the remaining portion of this Agreement. The parties agree that if and when any provisions of this Agreement are finally held or determined to be illegal or void they will then promptly enter into negotiations concerning lawful substitutions therefore.

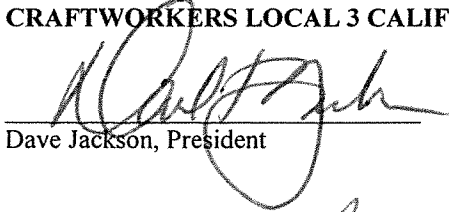

SECTION 79. In the event that the parties are unable to agree upon a revision, the matter shall be submitted to arbitration in accordance with the terms of this Agreement.

**ARTICLE XXI
TERM**

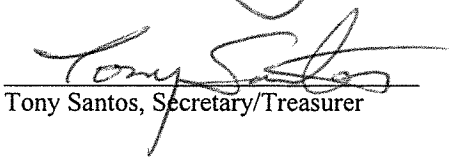

SECTION 80. This Agreement shall be effective from the 1st day of July, 2014 to and including midnight of the 30th day of June, 2019, and from month to month thereafter unless either party thereto shall give written notice at least sixty (60) days prior to said 30th day of June, 2019 or sixty (60) days prior to the end of any succeeding month, of its desire to modify or terminate the same. A notice of a desire to terminate or alter the Agreement shall be served upon the Terrazzo and Mosaic Association of Northern California and such notice shall be deemed effective notice to all members of the Terrazzo and Mosaic Association of Northern California.

IN WITNESS WHEREOF, the parties hereto have subscribed or caused to be subscribed by their officers or representatives thereunto duly authorized, their names on the day and the year first above written.
